## Golf Tournament

Our 2nd Annual Maine Credit Union League Campaign for Ending Hunger Golf Tournament was held on June 5 and was a big success. ## What is a Dormant Account?

An account becomes “dormant” when there has been no activity for one year. Dividends posted and/or checks cashed do not keep an account from becoming dormant.

**What Happens If My Account Becomes Dormant?** Your account will be assessed a monthly fee, until the account becomes active or there are no more funds in the account and it will be closed. If more than \$50 remains in the account after August 1 of the third year, you will receive a Due Diligence letter. If you do not respond to this letter, then on November 1 of the

third year, the funds will be turned over to the State of Maine under the “Abandoned Property Law.”

**How Can I Keep My Account From Becoming Dormant?** Make a deposit or withdrawal to or from your account at least once a year. Also, make sure we have your correct address and phone number at all times in case we need to reach you.
