Members Enjoy Free Ski Day!

Despite the snow storm, 81 members joined us at Squaw Mountain in Greenville for our Members Ski Free Day on Saturday, March 4. Monty Moose paid a visit, and members were greeted by MHFCU volunteers at the ticket desk all morning. MHFCU also held a door prize drawing for five pairs of lift ticket vouchers and had giveaways including lip balm, ice scrapers, and hand warmers.

A BIG Thank You!

Thanks to the generosity of our membership, Maine Highlands FCU was able to raise over \$20,000 for the Maine Credit Unions' Campaign for Ending Hunger in 2022! The state-wide campaign as a whole raised a total of \$1,000,434.19! Donations to local area food organizations will be made by the end of April.

The Campaign has raised over \$12.3 million since its inception in 1990. It provides funds to organizations like Good Shepherd Food Bank, Full Plates Full Potential, local schools, colleges, food pantries, and meal sites to get food into the hands of hungry Mainers. Dollars raised by the Campaign stay in Maine.

Thanks for being on our team. For more information or to donate, please visit <https://campaignforendinghunger.org/>.

Get Outdoors this Spring

Spring is the perfect time to enjoy the great outdoors and take advantage of the warmer weather. From hiking to gardening, there are many fun and exciting outdoor activities to enjoy in the spring season. Here are some popular outdoor activities to try this spring:

- Hiking:** With the warmer weather, hiking trails become more accessible and less muddy. Take advantage of this to explore nature and enjoy some exercise.
- Gardening:** Spring is the perfect time to start a garden, whether it's a vegetable garden, flower garden, or a combination of both. Gardening is a great way to connect with nature, improve your home's aesthetic, and grow your own fresh produce.
- Camping:** With the warmer weather, camping becomes more enjoyable. Whether you prefer camping in a tent or an RV, there are many great destinations to choose from, including national parks, state parks, and private campgrounds.
- Picnicking:** Pack a basket, grab a blanket, and head to your nearest park for a picnic. It's a great way to enjoy a meal outdoors and spend time with family and friends (did someone say charcuterie board?).
- Biking:** Take advantage of the mild spring weather to go for a bike ride. Whether you prefer road biking or mountain biking, there are many great trails to explore.
- Bird Watching:** With the arrival of spring, many bird species return from their winter migration. Take advantage of this to go bird watching and see some of the beautiful birds that call your area home.

Whether you're seeking adventure, relaxation, or a mix of both, there is something for everyone to enjoy in the great outdoors this spring. So, get outside and make the most of this beautiful season!
