Golf Tournament

Our 3rd Annual Golf to End Hunger Tournament was held on June 11 and was a big success. We hosted 19 teams totaling 76 golfers who enjoyed a great day of golf and helped us raise over \$3,600.00 for Maine Credit Unions' Campaign for Ending Hunger. Thank you to all who volunteered and to all who came out to play. We'll see you next year!

What is a Dormant Account?

An account becomes “dormant” when there has been no activity for one year. Dividends posted and/or checks cashed do not keep an account from becoming dormant.

What Happens If My Account Becomes Dormant? Your account will be assessed a monthly fee, until the account becomes active or there are no more funds in the account and it will be closed. If more than \$50 remains in the account after August 1 of the third year, you will receive a Due Diligence letter. If you do not respond to this letter, then on November 1 of the

third year, the funds will be turned over to the State of Maine under the “Abandoned Property Law.”

How Can I Keep My Account From Becoming Dormant? Make a deposit or withdrawal to or from your account at least once per year. Also, make sure we have your correct address and phone number at all times in case we need to reach you.
